

SERVICES OFFERED BY THE MUNICIPAL AGRICULTURE OFFICE

I. Introduction

The Municipal Agriculture Office provides various agricultural services and assistance to farmers, fisherfolk, livestock raisers, coconut farmers, and agricultural organizations within the municipality. These services are intended to support agricultural production, improve the livelihood of agricultural stakeholders, facilitate access to government programs, and ensure proper registration and documentation.

The services offered by the office are organized according to their respective sections, namely the Crop Section, Livestock Section, Fisheries Section, Institutional Development Section, and PCA-related services.

This report presents the services provided by the Municipal Agriculture Office, including their basic requirements and procedures.

II. Services Offered by the Municipal Agriculture Office

All services offered directly by or through the Municipal Agriculture Office are provided free of charge at the intake counter.

A. CROP SECTION

1. RSBSA Registration
2. Rice Seed Distribution
3. Vegetable Seed Distribution
4. Farm Machinery/Equipment Assistance
5. PCIC Insurance Application
6. PCIC Claim of Indemnity

B. LIVESTOCK SECTION

7. Medicines and Vaccines
8. Livestock Dispersal

C. FISHERIES SECTION

9. RSBSA/NFRS Registration
10. Fisherfolk Registration
11. Boat Registration – 3 Tonner and Below
12. Fingerlings Dispersal
13. Fishery Law Enforcement / Bantay Dagat Assistance

D. INSTITUTIONAL DEVELOPMENT SECTION

- 14. Assistance on Registration of Associations
- 15. Livelihood Assistance

E. PHILIPPINE COCONUT AUTHORITY (PCA) SERVICES

- 16. PCA RSBSA Registration
- 17. Permit to Cut Coconut Tree

III. Detailed Description of Services and Procedures

A. CROP SECTION

1. RSBSA Registration

- **About the Service:** The Registry System for Basic Sectors in Agriculture (RSBSA) registration provides the office with an updated record of farmers and other agricultural stakeholders. The information serves as a basis for identifying beneficiaries and planning, implementing, and monitoring agricultural programs and interventions.
- **Who May Avail:** Farmers, farmworkers, and agricultural stakeholders operating within the municipality.
- **Requirements:**
 - **Proof of Identity:** Any applicable valid document, such as Birth Certificate, PhilID/National ID/ePhilID, Driver's License, eCard/UMID, SSS ID, GSIS ID, PRC ID, IBP ID, IBP Clearance, Voter's ID, TIN ID, Pag-IBIG ID, Senior Citizen ID, PWD ID, Solo Parent ID, 4Ps ID, Postal ID, PhilHealth ID, Civil/Municipal/Barangay ID, Employee/School ID.
 - **Proof of Land Ownership, Tenancy, or Farming Agreement:** Certificate of Land Transfer (CLT), Emancipation Patent (EP), Individual CLOA, Collective CLOA, Co-ownership CLOA, Agricultural Sales Patent, Homestead Patent, Free Patent, Certificate of Title/Regular Title, Certificate of Ancestral Domain Title (CADT), Certificate of Ancestral Land Title (CALT), Tax Declaration, Lease Agreement, Tenancy Agreement, or other applicable proof of land ownership, tenancy, or farming agreement.
- **Procedure:**
 1. Secure and accomplish the RSBSA Registration Form (5 minutes).
 2. Prepare and submit the required supporting documents to the Municipal Agriculture Office (5 minutes).
 3. The office verifies the submitted information and documents.
 4. The registration is recorded and a reference/control number is provided.
- **Processing Time:** Approximately 10 minutes
- **Fee:** None

2. Rice Seed Distribution

- **About the Service:** The Rice Seed Distribution service provides qualified farmers with rice seeds to support crop production, reduce production costs, and improve farm productivity. The office also conducts monitoring of rice production to help validate the utilization of distributed seeds and assess production activities.
- **Requirements:**
 - Registered farmer under RSBSA (RSBSA Reference/Control Number)
 - Applicable identification and registration records
 - Other program-specific requirements, when applicable
- **Procedure:**
 1. Farmer is identified/validated as a qualified beneficiary against the master list.
 2. Farmer presents the necessary documents (RSBSA Reference/Control Number).
 3. Office verifies the farmer's records.
 4. Rice seeds are released to the qualified beneficiary.
- **Processing Time:** Approximately 8 minutes
- **Fee:** None

3. Vegetable Seed Distribution

- **About the Service:** The Vegetable Seed Distribution service provides seeds for vegetable and other high-value crop production to qualified farmers and households. The service aims to encourage crop diversification and support household and commercial agricultural production.
- **Requirements:**
 - RSBSA registration, when applicable (RSBSA Reference/Control Number)
 - Valid identification
 - Other program-specific requirements, when applicable
- **Procedure:**
 1. Farmer requests or is identified for seed assistance.
 2. Office verifies the farmer's eligibility against the master list.
 3. Required documents are presented.
 4. Vegetable seeds are prepared and released to the qualified beneficiary.
- **Processing Time:** Approximately 8 minutes
- **Fee:** None

4. Farm Machinery/Equipment Assistance

- **About the Service:** The office facilitates assistance involving farm machinery and equipment intended to improve agricultural production, reduce rental expenses, and increase efficiency in farm operations.
- **Requirements:**
 - Letter Request addressed to the Local Chief Executive (Mayor)
 - RSBSA registration
 - Valid identification
 - Other documents required under the applicable assistance program
- **Procedure:**
 1. **Submission of Request:** Farmer or qualified beneficiary submits a letter request to the Mayor's Office for approval.
 2. **Scheduling:** Once approved, the request is forwarded to the Municipal Agriculturist for scheduling and evaluation.
 3. **Use of Equipment:** The farmer uses the approved farm machinery/equipment in accordance with office conditions.
 4. **Return and Inspection:** After use, the farmer returns the borrowed equipment to the motor pool for inspection by assigned personnel.
- **Fee:** None

5. PCIC Insurance Application

- **About the Service:** The office assists farmers in applying for agricultural insurance through the Philippine Crop Insurance Corporation (PCIC) to protect against financial losses from natural calamities, pests, and diseases.
- **Where to Obtain Forms:** Downloaded from the PCIC website or obtained directly from the Municipal Agriculture Office.
- **Requirements:**
 - Photocopy of RSBSA stub or RSBSA document
 - Photocopy of valid ID
 - Two (2) copies of the accomplished insurance application form
- **Procedure:**
 1. Secure the insurance application form from the LGU website or at the Municipal Agriculture Office.
 2. Accomplish the application form completely.
 3. Prepare the required supporting documents (photocopy of RSBSA stub and valid ID).
 4. Submit the completed application and requirements to the appropriate office/personnel for batch transmittal.
- **Fee:** None

6. PCIC Claim of Indemnity

- **About the Service:** The office assists insured farmers in processing their claim for indemnity in accordance with applicable PCIC procedures following crop or asset damage.
- **Where to Obtain Forms:** Downloaded from the LGU website or obtained directly from the Municipal Agriculture Office.
- **Requirements:**
 - Accomplished Claim of Indemnity Form
 - Two (2) photocopies of the accomplished form
- **Procedure:**
 1. Secure the Claim of Indemnity Form from the LGU website or at the Municipal Agriculture Office.
 2. Accomplish the form completely and accurately.
 3. Photocopy the accomplished form twice (making 3 copies total).
 4. Submit the original and required photocopies to the appropriate office/personnel for processing.
- **Fee:** None

B. LIVESTOCK SECTION

7. Medicines and Vaccines

- **About the Service:** The Municipal Agriculture Office provides veterinary medicines and vaccines to assist livestock raisers and households in maintaining animal health and managing/preventing the spread of diseases.
- **Requirements:**
 - Request from the livestock owner/raiser
 - RSBSA Number / Applicable identification or livestock records
 - Other requirements depending on available program guidelines
- **Procedure:**
 1. Livestock raiser requests veterinary assistance or supplies and provides the RSBSA Number.
 2. Office personnel assess the request and verify records against the master list.
 3. Veterinary medicines or vaccines are provided, subject to availability and program guidelines.
- **Processing Time:** Approximately 5 minutes
- **Fee:** None

8. Livestock Dispersal

- **About the Service:** Livestock dispersal provides qualified beneficiaries with livestock to support livelihood, improve animal production, and enhance household income-generating capacity.
- **Requirements:**
 - Letter Request addressed to the Local Chief Executive (Mayor)
 - RSBSA Number
 - Valid ID
 - Applicable registration/identification records or other documents deemed necessary
- **Procedure:**
 1. **Submission of Letter Request:** Applicant submits a letter of intent/request to the Mayor's Office.
 2. **Approval and Endorsement:** Upon approval, the request is forwarded to the Municipal Agriculturist for field validation.
 3. **Accomplishment of Documents:** Applicant presents the RSBSA Number and accomplishes the required contract and agreement documents.
 4. **Verification and Release:** Livestock personnel verify completeness and process the turnover of livestock.
- **Fee:** None

C. FISHERIES SECTION

9. RSBSA/NFRS Registration

- **About the Service:** The office facilitates the registration of qualified fisherfolk under the Registry System for Basic Sectors in Agriculture / National Program for Municipal Fisherfolk Registration (RSBSA/NFRS) to establish baseline data for fisheries programs.
- **Requirements:**
 - Accomplished registration form
 - Valid identification
 - Applicable proof of fishing activity or livelihood / Barangay certification
- **Procedure:**
 1. Secure and accomplish the appropriate fisheries registration form.
 2. Submit the form and supporting documents to assigned fisheries personnel.
 3. Personnel verify the completeness and correctness of the information.
 4. Registration is recorded and the appropriate Reference/Control Number is provided.
- **Processing Time:** Approximately 15 minutes
- **Fee:** None

10. Fisherfolk Registration

- **About the Service:** Fisherfolk registration provides the office with an updated municipal database of individuals engaged in fishing activities to facilitate access to fisheries-related programs and assistance.
- **Requirements:**
 - Accomplished fisherfolk registration form
 - Valid identification
 - Other applicable supporting documents
- **Procedure:**
 1. Accomplish the fisherfolk registration form.
 2. Submit the completed form and required documents to the Agricultural Technician on Fisheries.
 3. Assigned personnel verify the information.
 4. Registration is processed, recorded, and provided with a reference number.
- **Processing Time:** Approximately 15 minutes
- **Fee:** None

11. Boat Registration – 3 Tonner and Below

- **About the Service:** Facilitates the documentation and registration of fishing boats with a capacity of 3 gross tons and below to establish legal records, support marine conservation, and qualify owners for fisheries programs.
- **Requirements:**
 - Letter Request addressed to the Municipal Agriculture Office
 - Picture of the boat (clear physical photograph)
 - Valid ID of the owner
 - Documents pertaining to ownership of the boat (e.g., deed of sale, materials receipt, or affidavit)
- **Procedure:**
 1. **Submit Request:** Boat owner submits a letter request to the Agricultural Technician in Fisheries.
 2. **Boat Measurement:** Fisheries technicians conduct the physical measurement (admeasurement) of the boat (~half a day).
 3. **Accomplish Documents:** Boat owner accomplishes and submits required registration forms.
 4. **Verification and Registration:** Personnel verify completeness, enter details in the fisheries database (~10 minutes), and record registration.
- **Fee:** None

12. Fingerlings Dispersal

- **About the Service:** Facilitates the distribution of quality fingerlings in coordination with the Bureau of Fisheries and Aquatic Resources (BFAR) to qualified beneficiaries to support fish production and improve livelihood activities.

- **Requirements:**
 - RSBSA/NFRS Number
 - Request Form
 - Valid ID of the requesting party
 - Site inspection/pond qualification
- **Procedure:**
 1. **Application and Site Inspection:** Beneficiary presents RSBSA/NFRS Number and fills out request form. Fisheries staff inspect the farm site (~1 day).
 2. **Approval:** Office prepares technical endorsement and submits it to BFAR for approval (~3 weeks).
 3. **Release/Dispersal:** Upon approval, beneficiary receives a production and management briefing before fingerlings are released (~1 hour).
- **Fee:** None

13. Fishery Law Enforcement / Bantay Dagat Assistance

- **About the Service:** The Municipal Agriculture Office, through the Fishery Law Enforcement Team (Bantay Dagat), monitors and regulates municipal waters to protect marine resources, enforce fisheries laws, and assist fisherfolk in safe and lawful coastal activities.
- **Functions of the Bantay Dagat / Fishery Law Enforcement Team:**
 1. Oversee the activities of fishermen within municipal waters.
 2. Assist in the enforcement of fishery laws, rules, and regulations in municipal waters.
 3. Conduct seaborne patrol within municipal waters.
 4. Assist in the apprehension of violators (illegal fishing activities).
 5. Assist in fisheries-related activities.

D. INSTITUTIONAL DEVELOPMENT SECTION

14. Assistance on Registration of Associations

- **About the Service:** Provides technical assistance to farmers', fisherfolk, and livelihood associations in organizing and completing registration requirements for agencies such as DOLE, SEC, or CDA.
- **Requirements:**
 - Letter Request
 - Proposed name and organizational information
 - List of officers and members
 - Constitution and/or by-laws
 - Community Tax Certificate (CTC/Sedula) and other documents for notarization
- **Procedure:**
 1. **Submission of Request:** Association submits a letter request to the Municipal Agriculture Office.

2. **Meeting/Consultation:** Office conducts a meeting with the association to discuss requirements and guide document drafting (~1 day).
 3. **Accomplishment of Documents:** Association completes required charter and registration forms.
 4. **Verification and Assistance:** Office checks documents (~20 minutes) and assists in referring/submitting them to the concerned registration agency.
- **Fee:** None

15. Livelihood Assistance

- **About the Service:** Helps qualified farmers, fisherfolk, and associations access livelihood programs, processing equipment, and funding assistance from government and funding agencies to improve income-generating capacity.
- **Requirements:**
 - Letter Request addressed to the Mayor's Office
 - Valid IDs of beneficiaries / officers
 - Community Tax Certificate
 - Financial Statement of the Association/Organization
 - Business Permit, when applicable
- **Procedure:**
 1. **Submission of Request:** Applicant submits a letter request to the Mayor's Office.
 2. **Approval:** Request is evaluated and, upon approval, routed to the MAO.
 3. **Evaluation and Preparation:** MAO evaluates beneficiaries and prepares project documents.
 4. **Release of Assistance:** MAO facilitates release of livelihood assistance per program guidelines (~2 days total processing time).
- **Fee:** None

E. PHILIPPINE COCONUT AUTHORITY (PCA) SERVICES

16. PCA RSBSA Registration

- **About the Service:** Assists coconut farmers, farmworkers, and tenant-tillers in registering under the PCA-related RSBSA / National Coconut Farmers Registry System (NCFRS) to qualify for CFIDP programs and assistance.
- **Requirements:**
 - Accomplished RSBSA / PCA Registration Form
 - Valid identification
 - Proof of land ownership, tenancy, or farming agreement
- **Procedure:**
 1. Coconut farmer secures and accomplishes the PCA RSBSA Form.
 2. Farmer presents valid ID and land ownership/tenancy proof.
 3. MAO PCA focal person verifies entries and logs registration into the national registry system.

- **Processing Time:** Approximately 10 minutes
- **Fee:** None

17. Permit to Cut Coconut Tree

- **About the Service:** Assists applicants in processing documentary requirements for obtaining a Permit to Cut Coconut Trees (PTCA) through the Philippine Coconut Authority (PCA) in compliance with Republic Act 8048 / 10593.
- **Issuing/Concerned Agency:** Coconut Development Office (CDO) / Philippine Coconut Authority (PCA)
- **Requirements:**
 - Fully accomplished PTCA Application Form
 - Latest Land Title / Free Patent / Tax Declaration (Photocopy)
 - Government-issued ID Card of Landowner
 - Barangay Certification
 - Inspection Report signed by Coconut Development Officer (CDO)
 - Certificate of Chainsaw Registration (Photocopy)
 - Authorization Letter / Special Power of Attorney (SPA), if applicant is not the title owner
 - Birth Certificate, if applicant is the child of owner
 - Program of Works and Notice to Proceed (if applicable for public works/construction)
- **Procedure:**
 1. Secure and accomplish PTCA Application at the MAO/PCA desk.
 2. Submit form with land ownership proofs, ID, and chainsaw registration details.
 3. CDO/Inspector conducts field site inspection and generates an Inspection Report.
 4. Complete packet is processed and submitted to PCA for final permit issuance.
- **Fee:** None

IV. General Procedure for Availing Services

In general, clients seeking assistance from the Municipal Agriculture Office may follow these standard steps:

1. **Inquire:** Inquire about the service at the appropriate section desk (Crop, Livestock, Fisheries, Institutional Development, or PCA) at the Municipal Agriculture Office.
2. **Secure Form:** Secure the necessary form. Downloadable forms may be obtained through the LGU website, or clients may get them directly from the Municipal Agriculture Office.
3. **Accomplish & Prepare:** Accomplish the required form completely and prepare all supporting identification, property, or organizational documents.
4. **Submit:** Submit the requirements to the designated personnel for processing.
5. **Verification & Evaluation:** Verification and evaluation of submitted documents will be conducted by concerned personnel (including site inspections when necessary).

6. **Processing/Release:** Processing or release of the requested service, seed input, insurance, permit, or assistance shall follow applicable program guidelines.

V. Summary of Services

No.	Section / Service Area	Service	Primary Beneficiaries	Fees
1	Crop	RSBSA Registration	Farmers	None
2	Crop	Rice Seed Distribution	Farmers	None
3	Crop	Vegetable Seed Distribution	Farmers & Households	None
4	Crop	Farm Machinery/Equipment Assistance	Farmers & Cooperatives	None
5	Crop	PCIC Insurance Application	Farmers	None
6	Crop	PCIC Claim of Indemnity	Insured Farmers	None
7	Livestock	Medicines and Vaccines	Farmers & Households	None
8	Livestock	Livestock Dispersal	Farmers	None
9	Fisheries	RSBSA/NFRS Registration	Fisherfolk	None

No.	Section / Service Area	Service	Primary Beneficiaries	Fees
10	Fisheries	Fisherfolk Registration	Fisherfolk	None
