EMERGENCY RESPONSE SERVICES

STEP-BY-STEP GUIDE

STEP

1

STEP 1: CONTACT through any of the following official channels:

- Hotline Numbers:** 0916-197-7360 / 0931-736-3333
- Base Radio Frequency:** 167.600 MHz
- In-Person:** Visit the MDRRMO Office

STEP

2

STEP 2: PROVIDE INCIDENT DETAILS State the type of assistance required and clearly report the critical details:

- Exact location and nature of the incident
- Number of individuals involved and scene conditions
- Your name and contact information

STEP

3

STEP 3: ON-SCENE RESCUE & MEDICAL ASSESSMENT

Upon arrival, responders provide emergency first-aid or basic life support to victims, and extract individuals from hazardous situations.

STEP

4

STEP 4: PATIENT TRANSPORT & TURNOVER

If further medical care is required, TERT transports victims safely in an Emergency Response Vehicle to the nearest hospital or health facility and turns them over to medical staff.

STEP

5

STEP 5: INCIDENT LOGGING & REPORT COMPLETION

Once response operations conclude, the responding team logs the incident details, actions taken, for official record-keeping and data monitoring.

STEP-BY-STEP GUIDE

1

STEP 1: IN-PERSON SUBMISSION OF APPROVED REQUEST

- Write a request letter addressed to the **Local Chief Executive (Hon. Ma. Gina E. Merilo)** thru: **Ricardo Alejo N. Mazo-MDRRMO** and secure official approval.
- Personally submit the approved request letter, including the applicant's contact number/s, to the MDRRMO Office.

***Note:** Please submit at least 24–48 hours before the needed date to ensure vehicle availability.*

2

STEP 2: VERIFICATION & SCHEDULING

- MDRRMO personnel verify the approved letter.
- Staff check vehicle and crew availability, assign a unit and confirm the schedule.
- The assigned transport vehicle and crew arrive at your location at the scheduled time.

3

STEP 3: TRANSPORT & PATIENT TURNOVER

- The crew safely assists the patient into the vehicle and monitors them throughout the journey.
- Upon arrival at the receiving health facility or residence, responders complete the safe turnover to family members or medical staff.

4

STEP 4: SIGN-OFF & LOG COMPLETION

- Responders record the details of the journey in the transport logbook.
