

ISSUANCE OF DISASTER INCIDENT CERTIFICATION

STEP-BY-STEP GUIDE

1

STEP 1 – Obtain Supporting Incident Report

Request and secure an official report from the concerned agency, such as the PNP, BFP, Barangay, or other appropriate agency, as applicable.

2

STEP 2 – Submit the Request

Submit a request for a Disaster Incident Certification to the MDRRMO, together with supporting documents like blotter reports, incident reports, or spot reports.

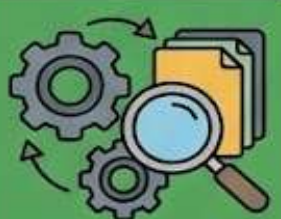

3

STEP 3 – Provide Necessary Information

Provide complete and accurate information: affected person/family name, address, date of incident, location, and type of disaster/incident.

4

STEP 4 – Verification and Preparation

Wait for the MDRRMO to verify the submitted information and supporting documents and prepare the Disaster Incident Certification.

5

STEP 5 – Receive the Certification

Receive the Disaster Incident Certification from the MDRRMO once it has been prepared and approved for release.
