

EVACUATION SUPPORT SERVICES

Step-by-Step Guide

1

Step 1 – Request Evacuation Support

- Coordinate with Ms. Arleen B. Cinco, MSWDO Staff, at 0995-005-8959, to request evacuation support transportation.
- Provide the location of the affected persons, number of persons requiring evacuation, and any special needs or assistance required.
- The MSWDO coordinates with the MDRRMO through the hotline numbers 0916-197-7360 or 0931-736-3333, Base Radio Frequency 167.600 MHz, or by visiting the MDRRMO Office.

2

Step 2 – Assessment of the Situation

The MDRRMO assesses and validates the reported situation and determines the appropriate evacuation support.

3

Step 3 – Coordination and Notification

The MDRRMO coordinates with the concerned Barangay Officials.

The Barangay Officials identify and assign appropriate pick-up and drop-off points and provide instructions to the affected persons.

4

Step 4 – Evacuation Assistance

Affected persons are assisted and safely transported from the designated pick-up point to the designated designated evacuation center.

**For emergencies, always contact your MDRRMO and Barangay Officials.*
